The EPS sends out monthly newsletters with information about forthcoming EPS meetings / workshops, grant deadlines and Journal initiatives. These emails are sent through a single mailing list address, and without these emails members may not be aware of Society events.

We also maintain a Member Handbook with details of current members.

**We do not pass on your details to other organisations, except where this is necessary for Society business (e.g. registration verification for a co-hosted meeting). We will contact you before we do this and information will not be permanently passed on to others.**

Please indicate your preference below by ticking the appropriate box:

	I consent to my email address being used by the EPS for the purpose of receiving emails related to my membership, and for my information to be passed on in the circumstances stated above

## **NOMINATIONS**

Nominations for new members should be made using the form on the preceding page.

Entries should be made in clear black type. All information should be included on the form, not on additional sheets.

Under "Publications", only articles that have appeared in print by the time of nomination, in peer-reviewed psychological or cognate journals should be listed. Because of space limitations, a complete publication list is not required; at least two recent examples where the nominee is single or first author, are sufficient.

Applicants must be nominated by two EPS members.

Forms should be returned no later than 1st September to the EPS Administrator [eps@lancaster.ac.uk](mailto:eps@lancaster.ac.uk) or by post to:

Sandra Harris  
EPS Administrator  
Department of Psychology  
Lancaster University

## **CRITERIA AND PROCEDURES**

Soon after the closing date of 1st September, brief details of all candidates will be circulated to members of the Society, who may request further information if they wish. The nomination forms will be considered by the Committee, at the October/November committee meeting. The Committee will decide whether each candidate is eligible for admission to Ordinary Membership, i.e. those candidates who have:

- a) secured a PhD
- b) published an independent account of their work in a reputable, peer-reviewed psychological journal
- c) personally delivered an oral paper to the Society

Candidates who do not meet all these criteria can be considered only in exceptional circumstances. Those who are resident outside Europe will be asked for assurance that they can attend meetings reasonably often.

Any Candidate not selected as eligible by the Committee will be informed of this and will be advised whether he/she may again be proposed for membership in a future year and if so subject to what conditions. The list of those selected as eligible will be put to the Annual General Meeting in January for approval.
