

## **POSTGRADUATE MAILING LIST**

If you are a postgraduate working in the UK on a research topic within the field of experimental psychology, then you may be interested in joining the Experimental Psychology Society Postgraduate Mailing List. This will enable you to receive information about EPS Meetings, which are held three times a year. Information about the Grindley Grant Scheme, which supports postgraduate travel to these Meetings, is also available on this web site – see Grants & Awards. Many postgraduates already attend and present papers to EPS Meetings and it is hoped that the PG mailing list will encourage even more postgraduates to take part.

An application form to join the mailing list is attached. Please ask your supervisor to endorse your application by signing the form. If your supervisor is not an EPS member, a further endorsement by an EPS member working in the same department is requested wherever possible. If there is no EPS member in your department, please ask your head of department to sign the form.

The completed form should be returned to the EPS Administrator, School of Psychology, Keynes College, University of Kent, Canterbury, CT2 7NP, as soon as possible. You will receive information starting with the next EPS meeting to take place after you join the list.

**POSTGRADUATE MAILING LIST**

***Please Print Clearly***

First name:

Last name:

Title:

Academic Address

	Email address:
	Telephone number:

Date registered for postgraduate research .....Full-time/part time?
