

## Application for Grindley Grant for Conference Attendance

(for full details of eligibility, etc. see website: <https://eps.ac.uk/grindley-grant/>)

Grants to attend non-EPS conferences are normally given only to those making a presentation, and are available only after the applicant has presented at an EPS meeting. Only one application can be made to attend a non-EPS conference; once applicants have received a Grindley grant to attend a non-EPS conference they are no longer eligible to apply for future non-EPS conferences. There are no restrictions on the number of applications to attend EPS meetings, and no presentation requirements. Grants are strictly limited to £500 per application.

**This form must reach the EPS Administrator not less than 4 weeks before the date of a non-EPS conference or at least 2 weeks before an EPS meeting**

I confirm that, to the best of my knowledge, all the details provided are correct, and that the applicant is eligible to receive a Grindley Grant. I understand that s/he has either been allocated or will apply for additional funding, where available, e.g. from the Department or grant funding agency (as shown on the first page), and that preference may be given to applicants who receive matching funds.
