

SECTION 1: Application details

Post-Doctoral Fellowship Application Form

<https://eps.ac.uk/postdoctoral-fellowship/>

Short details of application:

Applicant's name:	
Applicant's current institution:	
Applicant's email address:	
Adviser's name:	
Project Title:	

SECTION 2: Statement checklist. To be included with the application.

TICK TO CONFIRM

- The adviser is an ordinary member of the Experimental Psychology Society.
- The proposed activities are not already funded.
- The full value of the award will be spent in support of directly incurred expenses associated with the project and will not be used to meet overheads or other indirect or directly allocated costs.
- The applicant has read, and agrees to abide by, the full terms and conditions associated with the Post-Doctoral Fellowship Scheme available at <https://eps.ac.uk/postdoctoral-fellowship/>

The following must be provided within the application form or enclosed with it.

- A research proposal
- A one-page curriculum vitae of the applicant
- Adviser supporting statement. Explain how support for the career development of the fellow will be delivered, and why the adviser and host organization are best placed to ensure that relevant opportunities are made available.
- A letter from the Head of the department that would host the fellow, indicating the department's willingness to administer the fellowship according to the Society's terms and conditions for the Post-Doctoral Fellowship Scheme

The following is recommended and *must be provided if the adviser is/was also the PhD supervisor*

- Mentor supporting statement. Explain how the proposed project and supervision arrangements will support the fellow's independent scientific development and explain how the mentoring plan will contribute to this development

SECTION 3: Main Application.

3.1 Applicant Details

Name:	
Current Departmental Address:	
Phone:	
Email:	
Date thesis submitted or will be submitted:	
Thesis title:	
Thesis abstract:	
Thesis supervisor and their contact details:	
Publications (include DOIs/preprint links):	
Talks/Posters (highlight any at EPS meetings/events):	
Details of relevant career breaks, for example if your thesis was submitted prior to 30/09/2019:	

3.2 Career Details

Relevant Academic Employments/Roles:	
---	--

SECTION 3: Main Application.
