

How to Engage with Poster Presenters.

Please find below the best ways to engage with our poster presenters during the EPS Online Poster Session on Thursday 15th April.

We encourage you to view posters on the EPS website and to link up with presenters on Gather, Twitter and YouTube. Talk-through videos will be available alongside posters on Gather and on the EPS website. Presenters with the YouTube symbol below will also be able to respond to any YouTube comments.

Please use #EPSPosterQs to help others follow the discussion!

If you do not receive a response straight away during the poster session, it means you have chosen a popular poster! A reply may reach you outside of the poster session.
