CRITERIA AND PROCEDURES

Applications for Postgraduate Membership have no fixed deadline, but will be considered on a rolling basis. Applicants will be informed of the outcome of their application within one month of submitting the completed form, once eligibility checks have been completed by the EPS administrator, i.e. those candidates who are:

- a) registered for a PhD, MRes or MPhil programme, contracted as a post-doctoral researcher (up to 2 years after receiving PhD), or contracted as a pre-doctoral researcher.

Those who are resident outside Europe will be asked for assurance that they can engage with the Society reasonably often.

Any Candidate who is deemed not eligible by the EPS administrator will be informed of this and will be advised whether he/she may again be proposed for Postgraduate Membership in the future and if so subject to what conditions.
