

How to Engage with Poster Presenters

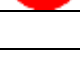

Please find below the best ways to engage with our poster presenters during EPS Keele. The poster session is to be held between 6:00pm and 7:00pm on Wednesday 30th March, with presenters marked with a ^ presenting in person, those without this symbol are presenting online. All posters and talk-through videos are available to view online on Gather and the EPS website.

Presenters with the Twitter symbol below will be able to respond to questions and / or comments via the account listed. Presenters with the YouTube symbol below will also be able to respond to any YouTube comments. Responses may come outside of the poster session. Please use #EPSPosterQs to help others follow the discussion!

If you do not receive a response straight away during the poster session, it means you have chosen a popular poster! A reply may reach you outside of the poster session.
